

COWLEY
ACADEMY

Head of School

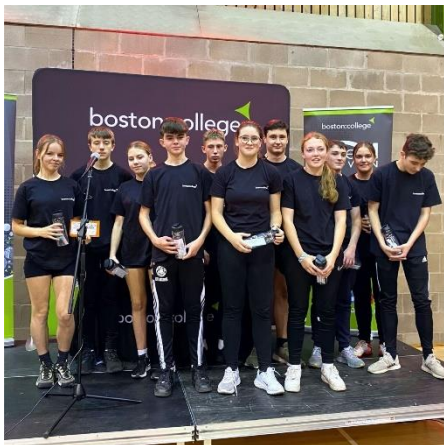

Friday 2nd December 2022

UPDATE

Dear parents/carers and students,

In the Language department students have had the opportunity to complete 'Languagenut' online resource to support with their French vocabulary. Well done to Ruben S for overall student of the month.

Last week eleven students participated in the Elite Eleven competition. This is a mixed inter-school sporting competition that involves 12 secondary schools from across Lincolnshire who compete against each other in a variety of indoor sporting challenges. The competition took place at Boston College's Peter Paine Performance Centre with challenges based around reaction speed, memory, agility and fitness plus sports activities such as power cycling, crazy golf, New Age Kurling, football targets, netball shooting and table tennis rallies. Well done to Cowley Academy for coming third!

As we move into the final two weeks of term, all Year 11 students have received their PPE examination timetable and an exam assembly this week in preparation for the start of their exams on Monday 5th December 2022. We host a variety of intervention sessions during lunchtime and after school to support our students through this important time of year. We expect excellent attendance for our Year 11 students during their PPE season. Any absences from the examination season must be followed up with a medical note.

During December students will be able to enjoy tucking into a traditional Christmas lunch and they can have it two weeks in a row as it will be served on Wednesday 7th and Wednesday 14th December 2022.

Aspire • Challenge • Achieve

We are holding our annual Year 9 parents' evening on Thursday 8th December 2022 from 4.30pm to 7.30pm. This is a very important evening for parents and carers, as it provides important information regarding your child's progress. We have sent more information about this evening including information on how to book your appointment on Parentmail.

Thank you to everyone who has so far supported the Christmas Hamper Appeal and for signing up to Show My Homework. Visit www.cowleyacademy.org.uk/show-my-homework for further information about Show My Homework – we encourage you to sign up and use the valuable learning resource.

At the end of this update you will find details of the wide variety of extra-curricular activities on offer and Year 11 revision sessions that are taking place during lunchtime and after-school. We encourage all students to participate in as many of these activities as possible.

Finally, we have been informed we raised £298.67 for the Poppy Appeal, which will help current members of the armed services, veterans, and their families. Thank you for your support!

Have a lovely weekend.

Yours sincerely,

Mr Glenn Martin

Head of School, Cowley Academy
