UPDATE

Dear parents/carers and students,

We have had another busy week, with focused learning and activities taking place.

The Year 11 results assembly took place on Thursday, with an excellent atmosphere, which is an opportunity to reflect on their progress and the next steps. We are continuing to encourage students to attend the lunchtime and after school intervention sessions which will have a positive impact (details of these Year 11 revision sessions are at the end of this update for your information). All students across Key Stage 4 have access to GCSEPod which we have invested in to continue to provide as many opportunities to be fully prepared for the summer examinations which are now less than 65 school days away.

A reminder that online Year 11 Parents Evening is on Thursday 26th January 2023 from 4.30pm to 7.30pm and parents are required to book their online appointments in advance. We encourage all parents to participate, to have the opportunity to speak to the class teacher about your child's progress, the interventions that could benefit them and how parents can support students.

As part of our communication strategy and providing further reading opportunities, Year 7 are involved with the Accelerated Reader programme, which is an initiative to support student's literacy skills and love for reading. Since the start of the programme, Year 7 have read over 622,000 words which is a fantastic start. We have also got our annual Book Fair between Thursday 2nd to Tuesday 7th February 2023 where there will be a fantastic selection of books to choose from plus you can help earn free books for the school. Further details are on the link below:

I am incredibly proud of how all students wear their uniform with pride and care about their presentation. However, may I take this opportunity to remind students and parents that false nails and fake eyelashes or extensions are not allowed and will be expected to be removed during school hours.

Mrs Cairns, led our Year 10 assembly today and introduced the role of Temporary Prefect. Year 10 students will be recruited to take on this responsibility in the school and have received information regarding how to apply to be a Prefect. The deadline for completed applications is Monday 30th January 2023.

On Tuesday, we have held an important series of assemblies for all students. Mr Matt Leonard – Director & HUB Lead for Heads of House and Rewards across the South Lincolnshire Academies Trust and a highly

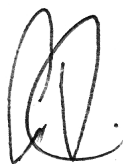

Aspire • Challenge • Achieve

respected and successful leader at Bourne Academy was introduced to our students. Mr Leonard will be working with Mr Wright in the role of Pastoral & Behaviour Manager for a transitional period until September 2023. Mr Wright will then be moving to Giles Academy which is part of our Academy Trust. This is another example of using the expertise across the South Lincolnshire Academies Trust to support each school.

Have a lovely weekend.

Yours sincerely,

Mr Glenn Martin
