

COWLEY
ACADEMY

Head of School

Friday 24th February 2023

UPDATE

Dear parents/carers and students,

It has been a great first week back, all students have returned back to school looking very refreshed and incredibly smart.

We have begun Term 4 with some fantastic competitive sports competitions. Our Year 8 football and netball teams participated in our first Trust schools 'SLAT tournament.' After brilliant performances from both the football and netball teams, the boys won the tournament on goal difference and the girls came second only on goal difference. Both teams displayed excellent work ethic and were a credit to the school in all the matches.

During Year assemblies this week we have had the draw for students who received no strikes on their strike cards. Well done to everyone who was in the draw and won.

With only 43 days left for Year 11 students until their first examination we have been preparing for the final stages of support available for all students. All Year 11 students have been reminded about the intervention sessions available to them and will be informing students and parents of the Easter Revision sessions planned over the two weeks break very shortly. We continue to encourage students to access GCSE Pod to support with their revision.

Year 8 parents will have today received a letter regarding our online Parents' Evening on Wednesday 8th March 2023. This is a very important opportunity to meet remotely with your child's Year 8 tutor regarding their progress, attendance and behavior in school. Please take the time to read the information in the letter which will contain further details on how to sign up for the evening.

Thank you to all parents, carers and students who supported our Book Fair, we raised over £700. This event has also helped the school gain access to free books which will increase our range of books on offer and support our school reading agenda.

Finally, this evening I will be visiting an Art Exhibition at Fydell House, Boston. This celebrates Cowley Academy's contribution to an international arts-based project linking schools around the World through the study of rivers. Congratulations to all students involved, I am looking forward to viewing all artwork displayed.

Yours sincerely,

Mr Glenn Martin
