UPDATE

Dear parents/carers and students,

We are racing through Term 1 - I can't quite believe we only have three weeks left!

We had a fantastic Open Evening on Tuesday 26th September 2023. There were over 200 student helpers who volunteered to promote our subjects and provide tours to new families and these students were an absolute credit to our school. Their enthusiasm and positivity throughout the whole evening was incredible. I have received so many positive emails from families who have taken the time to email school to personally thank our students. On the evening, we had over 900 people come through our doors which is unprecedented. We cannot wait to meet our future students and start their transition to secondary school.

This week, during assemblies, we have been introducing and reminding students about our school ethos, motto and student charter. Our motto - *Aspire, Challenge, Achieve* is really significant for all of our students to remind the students about our school values. The importance of the word *Achieve* being highlighted as our student charter which reflects the values of the Trust schools.

Year 7 this week are already discussing careers and have received a careers presentation to allow them to understand the different pathways after school. I am will soon share our plans for the upcoming Careers Fair.

It has also been fantastic to highlight our Top Point Scorers in assemblies this week, these students have been working exceptionally hard across the week and have earned top points. Well done!

This week during form registration each day we have been focusing on European Day of Language, which has involved a variety of students and also thank you to Miss Marsden.

Today I have also sent all Year 10 parents and carers a letter to advertise our 'How To Succeed at GCSE' evening. This is a very informative night led by Mr Hind, Deputy Chief Executive Officer, myself and Mrs Cairns regarding preparation, support and revision tips for Key Stage 4 and in the lead up to examinations. I am looking forward to seeing you all there.

Finally, staff at the school today have been supporting the Macmillan Coffee Morning by having a 'Bake A Cake' stall. Thank you to the staff that contributed to this event, and, as expected, I was a very happy Head of School trying the variety of cakes that have been baked or bought by staff whilst supporting a fantastic cause!

Yours sincerely,

Mr Glenn Martin
