

COWLEY
ACADEMY

Head of School

Friday 17th May 2024

UPDATE

Dear parents/carers and students,

The week has continued with our formal GCSE examinations for Year 11. The students have been focused and determined. We will continue to support the students, with the crammer sessions and revision classes. Well done to all of the students that have signed up for the May half term revision sessions.

The Year 10 Parents Evening took place yesterday evening which was extremely positive, providing an opportunity to reflect on the progress so far and to set targets to support students over the next twelve months.

We continue to provide a broad curriculum from subject areas, plus through our PSHE, SMSC provision, extra-curricular opportunities, which we are continuing to develop further. I have been impressed with the number of students attending the library at lunchtimes, and completing their Accelerated Reader.

As a school we feel it is important to support the local community and delighted we will be part of the Matthew Flinders Commemoration Service on Friday 12th July 2024.

I am really pleased to share that a group of our amazing students are completing their Bronze Award of The Duke of Edinburgh's training expedition on Saturday 18th and Sunday 19th May 2024. They will be practicing all their camping and navigation skills at Sacrewell Farm, near Peterborough. This is a great award which takes dedication and determination to complete. I hope the weather will be nice and sunny for our students and staff!

As we approach the final week before half term, we have got a variety of activities which I look forward to sharing next week.

Have a lovely weekend.

Yours sincerely,

Mr Glenn Martin
